COURSE OBJECTIVES: To examine advanced topics in the derivation and use of accounting information for the internal management of businesses including: product costing, cost allocation, decision making, capital investment, and performance evaluation.

TEXT: Hansen & Mown, Cornerstones of Cost Management, Third Edition, 2015

GRADING:

Four Exams (60 points each)	240 points (80%)
Essay + Presentation	30 points (10%)
Six Homework Assignments (5 points each)	30 points (10%)
Total	300 points (100%)

EXAMS: All students are expected to take the exams on the dates assigned. Prior approval to be absent from an exam will be granted only in cases of extreme personal emergency. Under such circumstances, the exam must be taken before it is returned to the class. Otherwise, a grade of zero will be assigned.

ESSAY AND PRESENTATION: The purpose of the essay and presentation is to consider the social or environmental costs of a business activity, product or consequence that generally are not accounted for. You will work with a partner on the essay and presentation. A topic, such as the environmental costs of global warming, will be assigned to you. You are required to find at least six references on the topic (beyond Wikipedia). Your essay should not exceed six pages, including a list of references. Class presentations will take place during the last week of classes. Presentations should be around 5 minutes long. Essays will be due on the day of your presentation.

HOMEWORK: Students are required to turn in 6 of the 9 homework assignments. Check figures will be posted on UNM Learn prior to reviewing the homework in class. Homework solutions will be posted on UNM Learn after the homework is reviewed in class. The solutions to the Cornerstone Exercises for each Chapter will be posted on UNM Learn as well. Handout homework assignments will be included in the chapter lecture notes.

LECTURE NOTES: An outline of the lecture will be posted on UNM Learn before the lecture. It is recommended that you bring a copy to class the day of the lecture.

If you are a qualified person with disabilities who might need appropriate academic adjustments, please communicate with me as soon as possible so that we may make appropriate arrangements to meet your needs in a timely manner. Frequently, we will need to coordinate accommodation activities with other offices on campus.

Our Commitment:

“Anderson School of Management faculty, staff and students commit to values of trust, honesty, integrity, and accountability. We will not tolerate academic dishonesty.” For full text of Anderson’s academic honesty code, please visit <http://www.mgt.unm.edu/honesty>.
