*“New Mexico’s Permanent Funds:
Understanding What We
Have and What Could Be ”*

STEVE MOISE
STATE INVESTMENT OFFICER

MAY 2, 2017
7:30 am – 9:30 am
Albuquerque Country Club
601 Laguna Blvd SW • Albuquerque, NM 87104

A budget stabilizer and wealth creator, New Mexico’s Land Grant and Severance Tax Permanent Funds combined to deliver \$7.5 billion to New Mexico over the last decade alone. Already a critical component in how we pay for public education today, these funds could be the keystone for future generations. But how the funds actually work, and the very real risks they face, are not always well understood, especially in times of budgetary crisis. State Investment Officer Steve Moise presents the fiduciary’s point of view.

Steve Moise was appointed State Investment Officer by the State Investment Council in April 2010. He has worked with the Council, the Governor and Legislature to implement a complex restructuring of the SIC, its policies, procedures and investment strategies.

The UNM Anderson School of Management Boerigter Business Breakfast Program is a business lecture series sponsored by the Anderson School through the generosity of Sibilla and George Boerigter and SoundOff Signal.

The series hosts business leaders from across the country to speak on topics of current interest. The series is offered at no cost to the business community.
